

Clarification on High School Summer School Calendar

The Waukegan High School summer school program (grades 9-12) operates on a Monday through Friday summer schedule. The schedule is different from many of the K-8 summer programs. The high school students are in attendance five days per week to meet time requirements for earning credit. Because of remodeling and construction at both campuses, the high school summer program is taking place at Juarez Middle School, 201 N. Butrick, Waukegan, IL.

Summer School hours are 7:43 a.m. until 12:00 noon, Monday through Friday.

Special Note: Driver Education courses meet Monday through Thursday for both semesters from 6:15 a.m. until 7:30 a.m. Students are scheduled for Behind the Wheel instruction on an individual basis.
